MESSAGE FROM THE CHAIRMAN

In 2020, we began a new journey as Little Shepherds' Schoolhouse (LSS), with the coming together of about a dozen preschools previously run individually by our Catholic parishes. The founding advisors, board, and management of Catholic Preschool Education (Singapore) Ltd (CPES), set up to oversee LSS, designed a curriculum built on the pillars of faith, and the Cardinal Virtues of Prudence, Justice, Temperance and Fortitude.

Starting 2026, we have updated our curriculum to the bespoke Play and Grow Curriculum, grounded in our Catholic identity, where children will learn and grow holistically through play. We are excited that our teachers will create even more dynamic and engaging lessons for the young children in our care.

Happenings in 2025

Four of our childcare centres were awarded the Partner Operator Scheme 3.0 (POP3.0) by ECDA for the new five years (2026 – 2030). POP3.0 provides grants that give us the ability and financial confidence to continue bringing our programmes to our children and the community at affordable fees.

With sadness and great fondness, LSS @ St Anne's Church saw its final batch of children graduate in December 2025, as the premises were returned to the Parish in 2026 for its pastoral needs. CPES now operates six (6) preschools as of 2026 – five (5) childcare centres and one (1) kindergarten – providing our unique, virtues-led, faith-based and inclusive programme to more than 700 children from families of all backgrounds and creeds.

In 2025, we also bade grateful farewell to Mrs Shirley Tan, who as Executive Director of LSS since day one, had passionately built the team to impart to our children the joy of learning. Soon after, we welcomed Ms Jasmine Kuek to oversee operations, and Ms Liane Shaw as Executive Consultant to drive strategy and transformation, as the board continues to strengthen the management team.

Looking Ahead

The early childhood sector, although a challenging one – with a tight recruitment market, rising costs, declining birthrate - is a sector served by passionate educators with a genuine love for children. Our staff are our treasured resource, and we ensure that the work environment is designed for relationships, appreciation and personal growth.

We are always deeply appreciative of parents for their encouragement and support. In 2025, we inaugurated the "Our Wonderful Parent" award at LSS @ St Francis of Assisi Jurong West, as recognition for their partnership and cooperation with us in their children's learning journey. Such engagements will be rolled out across all of our centres.

With prayer and confidence in God's grace, we welcome 2026 with refreshed hopes of our mission – to grow our population of little shepherds and joyful learners.

I am deeply appreciative of the board, the committees, the management team and the staff for their energy, inspiration, passion, and love of children, as we continue to forge ahead with steadfastness and trust in our Lord.

Mr Benjamin Lee
Chairman

VOICES FROM THE PARENTS

John Michael Luy
Little Shepherds' Schoolhouse
@ Church of the Holy Trinity

Our son, Liam, started at LSS @ Holy Trinity Church when he was just three years old — a shy and quiet little boy. It has been an incredible gift to watch him grow in remarkable ways — academically, socially, and spiritually — and LSS has played a significant role in that journey.

The school has provided not only an excellent foundation in learning, but also a nurturing environment where he felt safe, loved, and supported. We appreciate how the school goes beyond the four walls of the classroom by offering outdoor activities, field trips, and especially visits to St Luke's Eldercare and Apex Harmony Lodge. These experiences have opened his heart to empathy, kindness, and a spirit of service.

We are deeply grateful for the guidance and dedication of the teachers and staff at LSS @ Church of the Holy Trinity, who have played a major part in shaping Liam into the confident and joyful child he is today. We'll surely miss LSS when he moves on to big school next year.

We've been with LSS from Pre-Nursery to K2. Teachers are awesome. My son is in the spectrum with mild autism. They're a very inclusive school. Many activities like dancing, singing, role play, entrepreneur day, etc!

VOICES FROM THE PARENTS

Alex Lo
Little Shepherds' Schoolhouse
@ St Joseph's Church (Bukit Timah)

As a parent whose child is graduating, I am filled with profound gratitude and joy. My child has spent her most precious years here, and we have witnessed incredible growth thanks to the dedicated team at Little Shepherds' Schoolhouse.

I extend my most sincere thanks to the management team, the principal, and all the teachers for creating such a professional, safe, and truly loving educational environment. Your selfless patience, expert teaching, and dedication are truly remarkable and are reflected in how much our children love coming to school.

Little Shepherds' Schoolhouse has been our child's first warm harbor, successfully shaping her into a confident and independent individual.
I wholeheartedly recommend this school to any parent looking for a high-quality and exceptionally caring start for their child.

Thank you, Little Shepherds' Schoolhouse, for your tremendous effort and wishing all the graduates a bright future!

VOICES FROM THE PARENTS

Cheng Earn Siow

Little Shepherds' Schoolhouse @ Church of St Francis Xavier

Choosing Little Shepherds' Schoolhouse @ Church of St Francis Xavier for our two children has been a profound blessing, and we've never once regretted this decision.

Over the past years, we've watched our kids flourish into kind and compassionate individuals under the loving guidance of the teachers, Principal Ms. Angela, and the entire team. This school feels like a true second home, where every staff member pours their heart into nurturing the children, not just academically, but spiritually and emotionally.

The faith-based learning here is truly exceptional. Our children are growing in their understanding of God's love, embracing values like kindness, forgiveness, and gratitude through daily prayers, stories, and meaningful activities that weave faith into their everyday lives. It's touching to hear them share stories from school and see them practice empathy at home, like showing gratitude for small moments. This nurturing environment has strengthened their foundation in many ways.

This is the best decision I have ever made for my son. The teachers are incredibly caring, and he has picked up so many good habits and positive values. It's clear that every staff member at the childcare centre truly puts their heart into caring for the children! My son adores them, and I can see that the teachers, principal, and even the cleaner auntie all have kind hearts and genuinely care for the children.

Ms. Jacqueline and her team have taken such wonderful care of my daughter. The activities they plan for the children are always engaging and meaningful. My daughter looks forward to going to school every day, and on weekends she even asks, "Mommy, why no school?" Thank you, Ms. Jacqueline and all the teachers, for your kindness and hearts of gold.

VOICES FROM THE PARENTS

Elise Lee
Little Shepherds' Schoolhouse @ Church of St Francis of Assisi - Jurong West

I'm so glad we found Little Shepherds' Schoolhouse. The compound is wonderfully spacious and gives the children plenty of outdoor time — from the small field and sandpit to the vegetable garden and even monthly water-play sessions. The classrooms are impressively large (each one feels about the size of a 3-room HDB flat) and thoughtfully set up with different learning stations, plus ample space to showcase the children's art and craft. My elder son even got the chance to help build a pond for their terrapins — a unique experience he still talks about!

What truly sets the centre apart, though, is the team of teachers and staff. They are warm, patient, and genuinely invested in the children's growth. You can feel their dedication in the way they communicate, the care they put into daily activities, and how they notice and nurture each child's strengths.

My kids always come home happy, and I think that speaks volumes about the environment the staff have created.

This year, the centre also introduced infant-care services, and I'm genuinely amazed by the size of the infant rooms and the wide range of learning toys available. Part of me wishes I had more little ones just so they could experience it too!

VOICES FROM THE PARENTS

Amber Lee

Little Shepherds' Schoolhouse
@ Church of Our Lady Star of the Sea

I'm happy with my child's preschool experience here at Little Shepherds' Schoolhouse in Yishun. I find the curriculum purposeful and well thought out, and the regular newsletters keep me updated on what my child is learning and doing, along with parent-teacher sessions to share my child's progress.

Most importantly, my child really likes the teachers and assistants as they are caring and approachable. The Centre Leader is professional yet friendly, and she shows good empathy, which I truly value.

Today's Games Carnival was such a great example of how much effort the team puts in! There were nine fun game stations with creative reward idea, a Polaroid photo booth, and lovely decorations. All the staff were involved, dedicated, and engaging with the kids. Kudos to the whole team for making it such a memorable event!

OUR CURRICULUM

The new Play and Grow Curriculum is a bespoke framework designed to nurture every child into a joyful, curious, and virtuous learner.

Grounded in the core values of GRACE (Gratitude, Respect, Attitude, Care, and Empathy), this curriculum integrates holistic development with purposeful play to prepare children for both school and life.

The Three Pillars of Play and Grow

The curriculum is built upon three foundational pillars that guide the daily experiences of our children:

- **Beacons of Light:** This programme rebrands our Catholic identity, teaching children to reflect the light of Jesus through virtues lived in daily routines. It includes biblical stories, rituals, and community partnerships to bridge faith with everyday actions.
- **Learning Through Play:** Recognising play as the primary mode of learning, our educators use intentional scaffolding to build language, numeracy, and social-emotional skills. This approach is fully aligned with NEL 2022, EYDF 2023, and SPARK 2.0 standards.
- **Growing Holistically:** We focus on the whole child, supporting cognitive, physical, social, and moral growth. Development is viewed as a deeply relational journey where kindness and character are valued as much as academic knowledge.

Academic Structure & Methodology
The academic year is organized into a four-term cycle, utilising a **Spiral Curriculum** where key concepts are revisited with increasing complexity as children progress through levels:

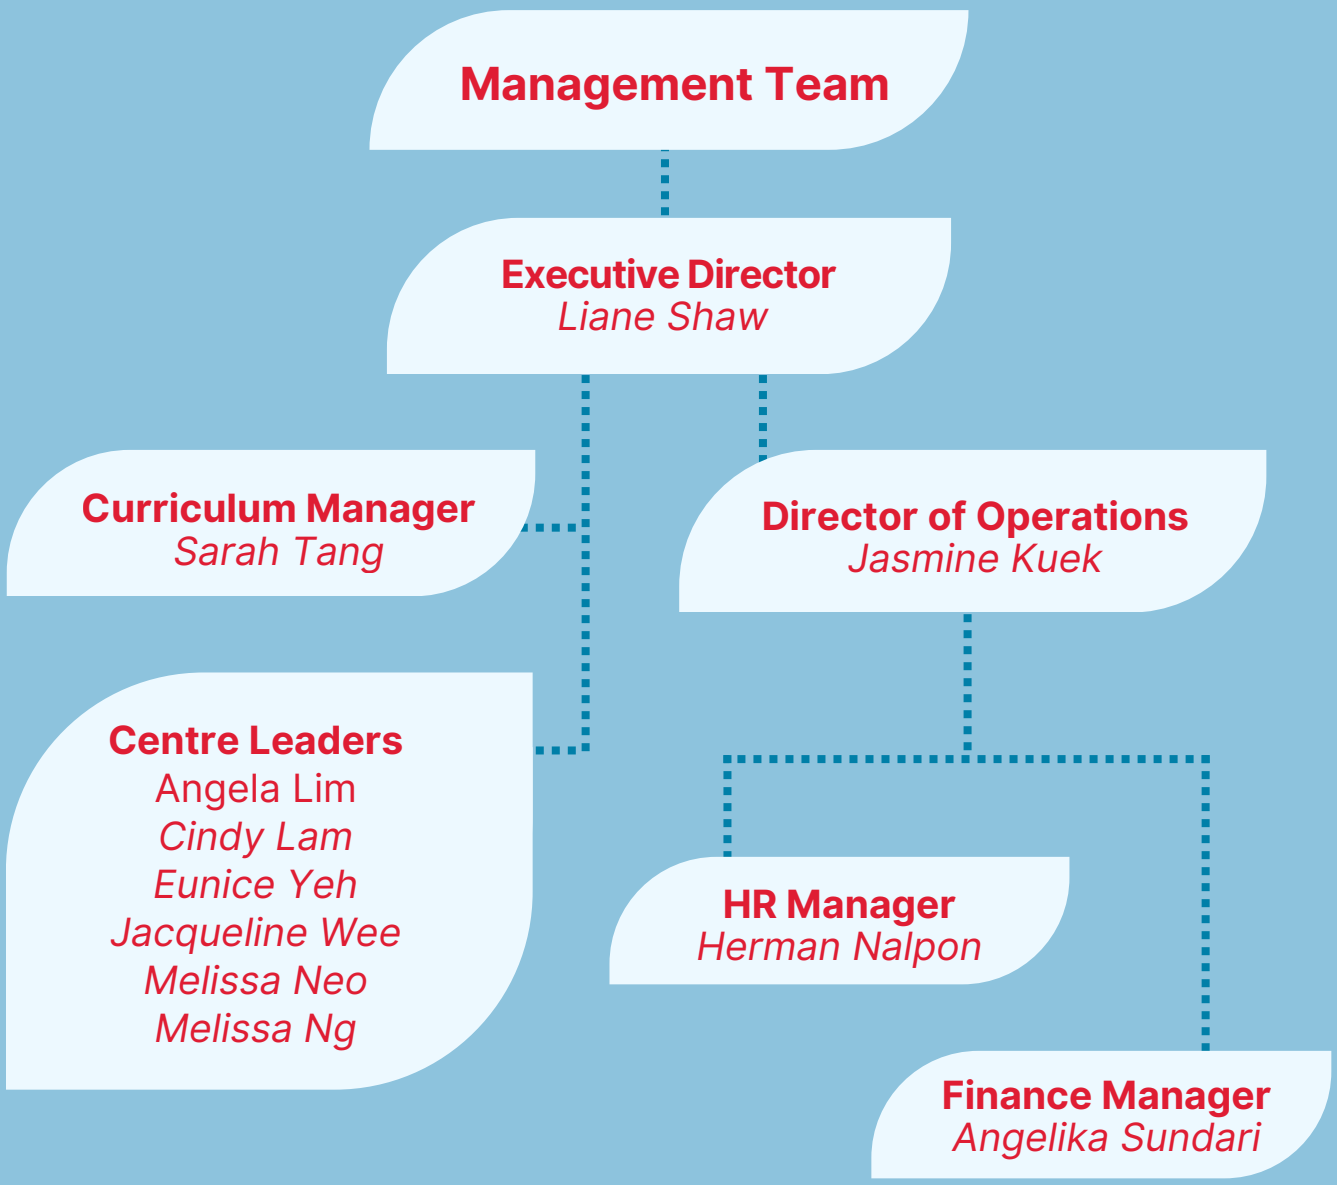

- **Weeks 1–7 (Thematic Learning):** Children engage in shared themes—such as "Our Wonderful World"—that provide a rich context for play and inquiry.

- **Weeks 8–10 (Project-Based Learning):** Educators transition into child-informed projects based on emerging interests. This phase follows a cycle of sparking curiosity, exploration, creation, and reflection, culminating in a showcase for families.

A New Pedagogical Approach
Our shift toward "Mindful Teaching" empowers educators to step back from top-down instruction and instead act as responsive facilitators. By observing and listening to children, teachers can scaffold learning moments that are respectful of each child's dignity, pace, and voice. This ensures that the school schedule flexes around the needs of the child, rather than the child being forced to fit a rigid timetable.

HIGHLIGHTS OF THE YEAR

CNY Celebration Cum Townhall

CPES marked the Year of the Snake with its Chinese New Year Celebration and Annual Townhall at the Church of St Francis Xavier.

The event provided an opportunity to reflect on the year past and to recognise the dedication of our staff, whose commitment continues to support the holistic development and well-being of the children in our care.

The programme began with a traditional "Ló Héi," symbolising optimism for the year ahead. As a gesture of appreciation, the Board of Directors presented red packets to thank staff for their continued dedication. The event concluded with a buffet tea, fostering fellowship and strengthening staff camaraderie as CPES looked ahead to the new year.

HIGHLIGHTS OF THE YEAR

K2 Overnight Camp

The K2 camp at Little Shepherds' Schoolhouse @ Church of St Francis of Assisi – Jurong West offered children a range of activities that encouraged independence and collaboration.

One of the activities included a marketplace experience, where children considered what they could afford and made their purchases thoughtfully, while reminding peers to queue and follow the rules, demonstrating focus and responsibility.

The overnight stay also provided a first experience away from their parents. While some were initially hesitant, they gradually settled in with support from peers and Centre Leaders.

By bedtime, children were sharing stories, laughing and reflecting on the day's activities, showing growing confidence, adaptability and camaraderie.

Annual Dinner & Dance

Our Annual Dinner and Dance (D&D) was held at Penang Place at Suntec City, bringing everyone together for a memorable Peranakan-inspired “Nyonya Night” celebration.

The venue was beautifully set up to reflect the vibrant colours and charm of Peranakan culture, creating a warm and festive atmosphere for all staff.

The evening featured a programme that included the presentation of Long Service Awards, recognising and appreciating colleagues for their dedication and years of commitment to the organisation.

This was followed by exciting lucky draw segments, which added an element of fun and anticipation throughout the night.

National Day Celebration

Little Shepherds' Schoolhouse @ Church of St Francis of Assisi -Jurong West held a vibrant celebration to mark Singapore's 60th National Day. The event, which took place from 9:00 am to 11:00 am, served as a meaningful occasion for the school community to come together and honor the nation's birthday.

The centerpiece of the festivities was a March-in Parade, designed to instill a sense of pride and belonging in every student. To reflect the spirit of the nation, each level was assigned a specific uniformed group to represent.

In a showcase of creativity and sustainability, many families opted to design DIY outfits using recycled materials. The school recognised these efforts by presenting "Best Dressed" awards to two children from each class, encouraging imaginative participation.

By involving parents in the planning and attendance, the event successfully strengthened the partnership between the school and home while fostering a deep-rooted appreciation for Singapore's heritage among the young learners.

SG60

Children's Day Celebration

Children’s Day was joyfully celebrated across all Little Shepherds’ Schoolhouse centres, with activities designed to create meaningful and memorable moments for the children.

A key highlight this year was a special initiative inviting parents to write a letter or record a video message for their child.

These heartfelt messages were shared with the children on the day, bringing moments of joy as they heard words of love and encouragement from their parents.

The experience mirrors the delight of parents upon receiving cards made by their children on Mother’s Day or Father’s Day, making the celebration both personal and memorable.

K2 Graduation Concert

The K2 Graduation Concert was held on 13 December 2025 at the RELC International Hotel and marked an important milestone for our graduating children. The original musical production, The Light of His Love, drew inspiration from The Sound of Music and conveyed values closely aligned with our Catholic ethos through storytelling, music and movement.

The children performed with confidence and poise, bringing the narrative to life while reflecting the growth and maturity developed during their preschool years.

The concert was warmly received by parents, many of whom were deeply moved by the performances and the children’s progress.

More than a graduation showcase, the event was a meaningful celebration of the faith, character and confidence nurtured in the children as they prepare to embark on the next stage of their learning journey.

Our Wonderful Parent

Three parents from Little Shepherds' Schoolhouse @ Church of St Francis of Assisi – Jurong West were nominated for the "Our Wonderful Parent" initiative, jointly organised by ECDA and Preschool Market.

This nomination recognises parents who have gone above and beyond in supporting the preschool community, whether through their consistent partnership with the centre, their encouragement of their children's learning journey, or their positive engagement with teachers and fellow families.

The nominations reflect the strong home–school partnership at the Jurong West centre and the meaningful relationships built between parents and educators. We are proud to see our parents recognised at a national level and extend our appreciation to all families who continue to journey alongside us in nurturing and supporting the children in our care.

Attainment of POP 3.0

In 2025, Catholic Preschool Education (Singapore) Ltd achieved a significant milestone with the successful appointment of our centres under the Partner Operator Programme (POP) 3.0 for the period from 1 January 2026 to 31 December 2030.

This attainment reflects ECDA's continued confidence in our governance, leadership, programme quality, and commitment to providing accessible and high-quality early childhood education.

POP 3.0 reinforces our mission to deliver a strong, values-driven preschool education grounded in our Catholic ethos, while ensuring affordability and sustainability for families.

Under this scheme, our centres are well positioned to strengthen curriculum delivery, enhance staff development, and maintain robust systems that support consistent quality across all operations.

GOVERNANCE

CONFLICT OF INTEREST POLICY

All Board members and staff are required to comply with CPES' conflict of interest policy.

The Board has established documented procedures for members and staff to declare actual or potential conflicts of interest regularly and as needed.

Board members also abstain from and do not participate in decision-making on matters where they have a conflict of interest.

WHISTLE-BLOWING POLICY

CPES maintains a zero-tolerance policy towards malpractice, impropriety, statutory non-compliance, or wrongdoing by staff, consistently upholding the highest standards of integrity across all operations.

The Management has established a formal procedure for employees and the public to report concerns regarding unethical or illegal conduct, irregularities, or malpractices. This process ensures that individuals can raise issues without fear of harassment or victimisation, with the assurance that their concerns will be taken seriously, thoroughly investigated, and that the outcomes will be communicated appropriately.
